

**Career Opportunities Available for LABORATORY SAMPLE PREP TECHNICIANS**  
**Starting Wage \$18 to \$20 per hour – Day and Swing Shifts Available**

If you are highly motivated, energetic, hard-working, career minded, willing to do what it takes to get the job done, and want to make a difference in the world, we invite you to apply with us!

We are a locally owned and operated, family oriented, essential laboratory business in Sparks, Nevada, operating from the same facility location for 30+ years, providing local and global critical mining infrastructure service to our clients.

We are looking for **SAMPLE PREP TECHNICIANS** to work in our sample prep department on day shift and swing shift processing rock ore and mineral samples from all over the world in a timely manner.

We offer an attractive starting wage and benefit package, annual performance reviews, and year-round work without a long commute. All required training is provided.

**Basic job responsibilities include but are not limited to:** preparing samples (drying, crushing, splitting, screening and/or pulverizing) for various analyses; operating laboratory sample preparation equipment (jaw crushers, pulverizers, riffle & rotary splitters) removing samples from drying ovens for weighing and inventory, warehouse storage, column loading, and maintaining daily records and logs, as well as other related duties as assigned.

**Basic Job Duties include but are not limited to:**

- Adhere to all health, safety and environmental rules and regulations, to help ensure a safe working environment.
- Maintain a clean and organized work area
- Process rock, ore, and mineral samples in a timely manner

**Qualifications & Skill Requirements:**

- Must pass a pre-employment drug screen and criminal background check
- High school diploma or equivalent preferred
- Must be able to pass a pulmonary function test (provided and conducted by a physician) and wear appropriate personal protective equipment (PPE) properly (clean shaven where PPE contacts the face)
- Ability to follow specific directions, perform simple mathematical calculations (arithmetic), communicate effectively both orally and in writing, and work in a safe and efficient manner.
- Ability to work independently and with others in a team environment with a positive attitude towards safety, production, and quality goals
- Manual labor, construction labor, or landscaping labor background is helpful, but not required

**Physical Demands include, but are not limited to:**

- Employee is required to kneel, bend, twist; and reach/grasp with hands and arms extended or above their shoulders
- Ability to lift and carry 25-lbs regularly, and up to 50-75-lbs, at times
- Physically capable of standing, shoveling, and performing other types of physical work for extended periods of time

**Shifts Available:**

- Day Shift: (must work at least one weekend day) i.e., 7:00am to 3:30pm Tues-Sat, or Sun-Thur.
- Swing Shift: Mon-Fri 1:30pm to 10:00pm (**includes \$2/hour shift differential!**)
